

SUPERVISION TRAINING PROGRAM FOR SPIRITUAL DIRECTORS

6 Day Intensive and 6 Month Practicum

This is a skills-based program for experienced Spiritual Directors, based on the renowned program from Burlingame, (California). It enables participants to become supervisors of other Spiritual Directors and of trainee Spiritual Directors. In addition, the course will enhance their personal skills in self-supervision. The course consists of theory and practice, and is followed by a six-month supervision practicum by video link using Skype or Face Time. Some evening work will be required as part of the intensive.

Course participants must have successfully completed a Spiritual Direction Formation Program (or equivalent practice) with a minimum three years of practical experience after training (or 300 hours), as Spiritual Directors. Students from all spiritual direction training schools are welcome. The program material is adapted and used with permission from Mercy Centre Burlingame.
